Subject: First week of classes

Good morning Mr. De Matta,

I hope you are having a great winter break so far. I emailed you about a month ago, but I will be in your operations management class for the spring semester. This is just a reminder that I will be missing the first week of class because I am leaving today for a study abroad trip and won't be back until the 21st. The trip has been approved by the University of Iowa, so I hope it will not affect my attendance score for the first week of class. If you could send me the syllabus and textbook information ahead of time, I would really appreciate it so I can make sure I don't get behind.

Thank you,
Leandra Feldmann
